The annual Frank Baker/Larry Cundiff Scholarship is being sponsored by the Beef Improvement Federation. Students currently enrolled in an advanced degree program at an accredited university in the United States or Canada are eligible. Students need not be U.S. citizens. Up to two winning essays will be published in the Proceedings of the BIF Research Symposium and Annual Meeting. Winning authors will receive a scholarship of $1000. The 2020 Convention will be held June 9-12 in Orlando, FL. Literature reviews can be contributed on any specific topic concerning genetic improvement in beef cattle.

The review should include the following components:

**Contents**

- Advisor Approval Page (on second page of this document)
- Introduction
- Review of Literature
- Conclusions and Implications to Genetic Improvement of Beef Cattle
- Literature Cited

**Format**

The document should not exceed 15 pages in length (Times New Roman 12 pt. font), excluding tables, figures and literature cited. It should be prepared as an electronic document (preferably in MS word) with 1 1/2 spacing on standard 8 1/2 x 11 inch paper using 1 inch margins (both sides, top and bottom). It should be submitted as both a word document and a pdf after checking that formatting is correct after conversion.

**Curriculum Vitae**

Each applicant should also submit brief curriculum vitae (not to exceed 2 pages in length) that includes the following items: Name, Address, Phone, Institution, Education (schools attended, dates, and degrees and majors), Current major, work experiences, honors and awards, publications, and thesis topic(s).

Submission deadline is April 9, 2020 at 11:59 CST. Forward all requested documents by e-mail as an attachment to:
